

Caldwell

• A ROMANTIC GETAWAY •

The Night Before: Book a suite at the [Wild Rose Manor](#) (we recommend the Victorian Rose), and settle in for a romantic evening with private Jacuzzi tubs, fresh flowers and 360-degree views of Canyon County's most spectacular sunsets.

9 AM

Enjoy your homemade multi-course breakfast at Wild Rose, and then walk around the grounds—you have 65 acres with three ponds—at your leisure to enjoy!

11:30 AM

Pick up some picnic fixings at [Cliff's Country Market](#) and don't miss out on their famous store-made mini-pie.

12-5 PM

What says romance better than wine? There are multiple award-winning wineries at your fingertips in Caldwell...so get tasting! Be sure to make a toast to your love in the tasting rooms at [Fujishin Family Cellars](#) and [Hat Ranch Winery](#). Once you're ready for lunch we recommend breaking the picnic out at [Bitner Vineyards](#)—they have an amazing deck with a beautiful view!

5:15 PM

For dinner, you can head over to [Stewart's Bar & Grill](#). Stewart's offers local wine from [Huston Vineyards](#) and Bitner Vineyards. If you feel like having the true Idaho experience, order the tender, house-cut and hand-breaded finger steaks. You won't be disappointed!

7 PM

If you happen to be around Caldwell for one of the [Whittenberger Planetarium's public shows](#) (they average one Friday a month), you will love this amazing celestial show. The projector can show northern and limited southern constellations, all planets visible to the unaided eye, the sun, moon, a few deep space objects, and both nightly and annual motions of all of the above.

9 PM

Head back to the Wild Rose for another amazing sunset.

Taste the good life!
