The Heart of Idaho Wine Country

**Come see our unique wineries and tasting rooms,
only 30 miles west of Boise, Idaho**

In recent years, travel writers and wine enthusiasts across the U.S. have been singing the praises of Idaho's Snake River Valley wines, quickly earning a reputation as the next must-visit wine destination. The Sunnyslope Wine Trail is within the Snake River Valley AVA (American Viticulture Area) and is situated on land rich with ancient volcanic sediment, well-drained soil, and warm, sunny slopes which make this an ideal place to grow grapes and make wines. It's no wonder our wineries have so many national and international awards to their credit.

Framed by rolling hills and panoramic views of the Snake River and neighboring Owyhee Mountain Range, the Sunnyslope Wine Trail winds along the Snake River Canyon Scenic Byway and enjoys the milder variety of climates within the Pacific Northwest region of the country. Come visit any one of the 18 wineries along the trail - you don't need to be a wine expert to relax, sip some wine, and take in the picturesque views of orchards, winding country roads and patchwork farmland. It's an experience you won't forget.
